

Engineers' Day Celebration

BEST OUT OF WASTE COMPETITION 2025

Waste to Wealth: Engineering for a Circular Economy

15 September 2025

10:00 am

Basement Cafeteria 3

Nature of the Event

- ♦ Solo or Team participation

Requirements for Participants

- ♦ Participants must use scrap or discarded materials (e.g., wood, metal scraps, plastic, glass, cardboard, e-waste, old lab supplies).
- ♦ Projects must focus on recycling, upcycling, or repurposing waste into something useful and innovative.
- ♦ Only safe and non-hazardous materials may be used (no harmful chemicals or sharp objects).
- ♦ Each individual/team must bring their own materials and tools.
- ♦ The idea should be practically applicable, with potential to reduce waste, create value, or promote sustainability.

Judging Criteria

- ♦ Originality and innovation (ideas must be handmade and not copied).
- ♦ Practical applicability.
- ♦ Creativity, sustainability, and presentation.
